

Shahid Ahmed

- It's been an honor and pleasure to serve IAGD, House of Allah for the last 6 years as member of the Board of Directors. I have served in multiple committees especially, Finance, Noor Academy, Fundraising and Athletics.
- I like to offer my services for another term and seek your support and guidance. I am out of the country at present, hence could not be available in person. I will do my best to achieve this goal.

- If elected I will help bring the community together and move forward insha'Allah. My focus will be educational and consistent programs. In the past, It's been my privilege to serve as a Noor academy board member for 3 years and an IAGD board member for 2 years as chair of community affairs committee. Being a community member, I feel responsible to ensure a solid Islamic foundation for us and our future generations. With my many years of management experience I know I can help do that and I ask for your support.

Amir Lodhi

I have been part of IAGD community for over 40 years. Growing up, I looked forward to coming to IAGD monthly dinners and special events. It was a focal point for my spiritual and cultural journey and shaped me who I am. I led and organized events at IAGD such as Basketball Tournament & Camps, Cub Scouts and Robotic classes. Currently, I am a manager at an automotive company and am looking forward to the challenge of leading IAGD.

Salaam WR, despite limitation of time, having been lost with the pandemic over the last three years, it is clear, how united we are, as as a community for a common cause. As part of the leadership of our great institution, I pray for guidance and your help in continuing our ongoing efforts. IA an all-inclusive establishment not just for us, but our upcoming young Ummah and a center for excellence in educational and Dawah.

Nadeem Zaidi

- I have been a member of IAGD for the past 25 years. My wife Huma and I have 3 children who have all grown up in the IAGD environment.
- I had served on the IAGD Board in 2010. I had also managed the IAGD Expansion fund account from 2009 to 2012 and had also served on other committees. I had undertaken several IAGD projects through private donations in the recent past. Despite my very busy work schedule and work responsibilities I have volunteered to serve on the IAGD board again in the spirit of giving something back to the community. I will seek to benefit the IAGD Board with my corporate leadership and experience. I do believe that in these extra ordinary times of upheaval in the US society and in the world in general, representation of Muslims in the US society by people with experience can help portray a positive image and steady the navigated course.
